3. Subsequent to the establishment of the above JOT input, the Clandestine Services received additional ceiling reductions. On 30 June 1964, we were notified that our personnel ceilings were reduced by spaces for FY 1965 and an additional for FY 1966. To meet these additional reductions, we have developed and submitted to the DDCI a proposed manpower plan for FY 1965 through FY 1967. This plan includes as one element the cut-back in JOT input to the Clandestine Services Career Service to per year during FY 1966 and FY 1967. We shall, however, accept into the Clandestine Services the JOT input allocated for FY 1965.
